

CONNECTICUT STEM FOUNDATION, INC.

SUMMER SCHOLARSHIP PROGRAM

Program Objective

- To support and promote student interest in STEM (Science, Technology, Engineering, Math) fields
- To help defray tuition or other related costs for high school students desiring to participate in any college/university sponsored STEM summer course, a summer internship, an informal science education center program or a tuition high school summer education program.

Who is eligible?

- Any Connecticut student entering his/her sophomore, junior or senior year in high school, with preference given to those who have participated in a Connecticut STEM Fair.
- The student must provide proof of acceptance into the course or program and the costs that will be incurred to participate in the program (e.g. tuition and/or room and board)

Scholarship Description

- One scholarship will be given in 2022. The value of the scholarship depends on the total cost for the student to participate in the program. Up to \$500 will be granted.

Selection of Recipients

Selection of scholarship recipients by the Connecticut STEM Foundation Scholarship Committee** is based on the following:

- Letters of recommendation from the applicant's current science teacher and a math or technology teacher
- Grades received in high school science, math and technology courses
- Participation in STEM activities and/or fairs
- Financial need

Deadline for Submission
